

Structured Table and Form Test

Field	Value	Constraint	Source page
Applicant type	University	hard	1
Maximum budget	500,000	hard	1
Project duration	24 months	soft	1
Submission method	Online portal	hard	2
Required attachment	Budget justification	hard	2

Checklist

- ☐ Identity verified
- ☐ Organization access verified
- ☐ Proposal ownership verified
- ☐ File size accepted
- ☐ Parser completed

Second page: extraction target

This page contains paragraphs, a numbered list, and repeated structured terms for section extraction.

1. Requirement 1: test deterministic section segmentation.
2. Requirement 2: test deterministic section segmentation.
3. Requirement 3: test deterministic section segmentation.
4. Requirement 4: test deterministic section segmentation.
5. Requirement 5: test deterministic section segmentation.
6. Requirement 6: test deterministic section segmentation.
7. Requirement 7: test deterministic section segmentation.
8. Requirement 8: test deterministic section segmentation.
9. Requirement 9: test deterministic section segmentation.
10. Requirement 10: test deterministic section segmentation.
